ISSUE INDEX:

- #1: Provider do not have answering machine service
- #2: Never rang - immediately disconnected
- #3: Similar to #2 but stuck at dialtone message
- #4: Self view flipped on called device
- #5: Connects to Purple VRS interpreter - point to point call fails
- #6: Disconnected instead of reaching to answering machine
- #7: Works but takes 7 seconds or more before two way video shows up

- #8: Calling device still shows ringing on disconnected calls
- #9: Black incoming video of greeting recording on calling device
- #10: Black incoming video on calling device
- #11: Video mail greeting worked but froze after greeting ends
- #12: Incoming video froze immediately seen on called device
- #13: Incoming black video seen on called device
